### §§ 1.317-1.318 [Reserved]

### DISCLAIMER

# § 1.321 Statutory disclaimers, including terminal disclaimers.

- (a) A patentee owning the whole or any sectional interest in a patent may disclaim any complete claim or claims in a patent. In like manner any patentee may disclaim or dedicate to the public the entire term, or any terminal part of the term, of the patent granted. Such disclaimer is binding upon the grantee and its successors or assigns. A notice of the disclaimer is published in the Official Gazette and attached to the printed copies of the specification. The disclaimer, to be recorded in the Patent and Trademark Office, must:
- (1) Be signed by the patentee, or an attorney or agent of record;
- (2) Identify the patent and complete claim or claims, or term being disclaimed. A disclaimer which is not a disclaimer of a complete claim or claims, or term will be refused recordation:
- (3) State the present extent of patentee's ownership interest in the patent; and
- (4) Be accompanied by the fee set forth in §1.20(d).
- (b) An applicant may disclaim or dedicate to the public the entire term, or any terminal part of the term, of a patent to be granted. Such terminal disclaimer is binding upon the grantee and its successors or assigns. The terminal disclaimer, to be recorded in the Patent and Trademark Office, must:
- (1) Be signed by the applicant or an attorney or agent of record;
- (2) Specify the portion of the term of the patent being disclaimed;
- (3) State the present extent of applicant's ownership interest in the patent to be granted; and
- (4) Be accompanied by the fee set forth in  $\S 1.20(d)$ .
- (c) A terminal disclaimer, when filed to obviate judicially created double patenting in a patent application or in a reexamination proceeding except as provided for in paragraph (d) of this section, must:
- (1) Comply with the provisions of paragraphs (b)(2) through (b)(4) of this section:

- (2) Be signed in accordance with paragraph (b)(1) of this section if filed in a patent application or in accordance with paragraph (a)(1) of this section if filed in a reexamination proceeding; and
- (3) Include a provision that any patent granted on that application or any patent subject to the reexamination proceeding shall be enforceable only for and during such period that said patent is commonly owned with the application or patent which formed the basis for the judicially created double patenting.
- (d) A terminal disclaimer, when filed in a patent application or in a reexamination proceeding to obviate double patenting based upon a patent or application that is not commonly owned but was disqualified as prior art as set forth in either §1.104(c)(4)(ii) or (c)(5)(ii) as the result of activities undertaken within the scope of a joint research agreement, must:
- (1) Comply with the provisions of paragraphs (b)(2) through (b)(4) of this section;
- (2) Be signed in accordance with paragraph (b)(1) of this section if filed in a patent application or be signed in accordance with paragraph (a)(1) of this section if filed in a reexamination proceeding; and
- (3) Include a provision waiving the right to separately enforce any patent granted on that application or any patent subject to the reexamination proceeding and the patent or any patent granted on the application which formed the basis for the double patenting, and that any patent granted on that application or any patent subject to the reexamination proceeding shall be enforceable only for and during such period that said patent and the patent, or any patent granted on the application, which formed the basis for the double patenting are not separately enforced.

CORRECTION OF ERRORS IN PATENT

### §1.322 Certificate of correction of Office mistake.

- (a)(1) The Director may issue a certificate of correction pursuant to 35 U.S.C. 254 to correct a mistake in a patent, incurred through the fault of the Office, which mistake is clearly disclosed in the records of the Office:
- (i) At the request of the patentee or the patentee's assignee;
- (ii) Acting *sua sponte* for mistakes that the Office discovers; or
- (iii) Acting on information about a mistake supplied by a third party.
- (2)(i) There is no obligation on the Office to act on or respond to a submission of information or request to issue a certificate of correction by a third party under paragraph (a)(1)(iii) of this section.
- (ii) Papers submitted by a third party under this section will not be made of record in the file that they relate to nor be retained by the Office.
- (3) If the request relates to a patent involved in an interference or trial before the Patent Trial and Appeal Board, the request must comply with the requirements of this section and be accompanied by a motion under §41.121(a)(2), §41.121(a)(3), or §42.20 of this title.
- (4) The Office will not issue a certificate of correction under this section without first notifying the patentee (including any assignee of record) at the correspondence address of record as specified in §1.33(a) and affording the patentee or an assignee an opportunity to be heard.
- (b) If the nature of the mistake on the part of the Office is such that a certificate of correction is deemed inappropriate in form, the Director may issue a corrected patent in lieu thereof as a more appropriate form for certificate of correction, without expense to the patentee.

## §1.324 Correction of inventorship in patent, pursuant to 35 U.S.C. 256.

- (a) Whenever through error a person is named in an issued patent as the inventor, or an inventor is not named in an issued patent, the Director, pursuant to 35 U.S.C. 256, may, on application of all the parties and assignees, or on order of a court before which such matter is called in question, issue a certificate naming only the actual inventor or inventors.
- (b) Any request to correct inventorship of a patent pursuant to paragraph (a) of this section must be accompanied by:
- (1) A statement from each person who is being added as an inventor and each person who is currently named as an inventor either agreeing to the change of inventorship or stating that he or she has no disagreement in regard to the requested change;
- (2) A statement from all assignees of the parties submitting a statement under paragraph (b)(1) of this section agreeing to the change of inventorship in the patent, which statement must comply with the requirements of §3.73(c) of this chapter; and
  - (3) The fee set forth in §1.20(b).
- (c) For correction of inventorship in an application, see §1.48.
- (d) In an interference under part 41, subpart D, of this title, a request for correction of inventorship in a patent must be in the form of a motion under §41.121(a)(2) of this title. In a contested case under part 42, subpart D, of this title, a request for correction of inventorship in a patent must be in the
